

From My Heart to Yours

Dear Church Family,

Terri and I were overwhelmed by your recognition last Sunday of our 20th year anniversary of service here with you. I want to thank everyone who had a part in making it a special day for us. We so appreciate your generous provision of a sabbatical, the additional generous love offering and the many cards from adults, youth and children. We will treasure these memories. During our time away, our pastoral staff and special speakers will bring important sermons that will help you and your family reach our world for Christ. I thank you in advance for your faithfulness.

Recently, we were blessed to have Samuel and Brooke Ballard; Clint and Charlsie Estess and their son Andrew, as well as Conar Simmons join our membership. We look forward to witnessing Andrew's and Conar's baptism soon. Today, I will bring another message in our series – *Family Survival Kit*. The title is – “What did you say?” We have never lived in a time where there is more information and dissemination and less communication. But God can help us communicate better. Let's learn from His Word this morning.

We look forward to hearing the good reports from both our Student summer camp, GA summer camp and our Ecuador Mission Team soon. We are blessed to have these opportunities for our members. May the Lord be praised.

I love you in the Lord,
Bro. Greg

Brothers and Sisters,

Thank you so much for affording me the opportunity this past week to go with our students to Camp SOTO. It is always a privilege to get to be around young people and we have some really awesome kids here at FBC. Watching God work in their lives as they worshipped together, prayed for one another, and learned from God's Word was miraculous to say the least. It is often said that

our children are the future church. I understand the thought, but I would like to offer a correction: those who are in Christ ARE the church no matter their age. Our fellowship is so diverse and we must always remember those who are younger make significant contributions to the building of God's kingdom. Bro. Chris does a phenomenal job at communicating the gospel and he encourages our kids to serve in substantial ways. Again, thank you.

I would like to remind you also we are actively seeking more volunteers to help serve on our Media Team. We have had some folks move away and that has left a couple of holes in our rotation. There are opportunities for camera operators, sound mixers, video production, and visual presentation workers. Our Media Team does a great job and I am thankful for their hard work. If you are interested in serving, please contact me at 601.757.5516.

I love you all more than you know,
Pastor Nick
